HELLO

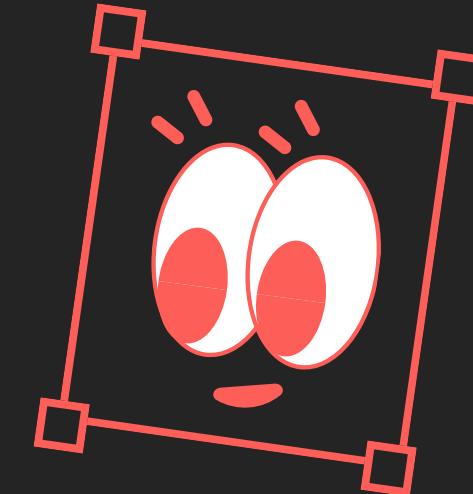

I'm Mohanad Alammari

Hi, I'm Mohanad a passionate photographer, videographer, and creative designer with nearly 4 years of experience in the media industry. I specialize in capturing authentic moments, producing engaging videos, and designing impactful visuals. Beyond content creation, I also manage media campaigns and social media pages, delivering strategies that connect with audiences and build strong brand presence. With strong leadership skills and the ability to work under pressure, I strive to combine creativity and professionalism in every project. My mission is to create visual stories and media experiences that inspire, engage, and leave a lasting impact.

Work Experience

Freelancer 2020-2025

With nearly 4 years of experience in the media industry, I have collaborated with more than 35 organizations and companies, handling a wide range of responsibilities. My work included photography, videography and video production, creative design, media content creation, campaign management, and overseeing social media accounts. These experiences allowed me to build strong expertise in managing and delivering professional media projects.

Alnoor, 2020-2025

At Alnoor Center, I managed the entire media scope — from design, photography, and video production to handling accounts and reports.

Athar Academy, 2024 - Currently

At Athar Academy, I worked as a media manager, handling design, photography, and video production, along with managing social media accounts and preparing media reports.

Al-Shabab club , 2022- 2025

Worked with Al-Shabab Club as a photographer and designer, contributing to the planning and execution of the club's media campaigns.

Altawasul Foundation , 2022- Currently

Worked with Altawasul Foundation as a designer and video editor, and was an active member in the foundation's marketing and media campaigns.

leafloat robotics , 2025- Currently

Worked with Leafloat Robotics in designing visual materials and editing videos, contributing to the creation of content that reflects the company's innovative identity.

YCAM, 2024 - 2025

Worked with Yemen Community Association - Malaysia as a photographer and designer, and was part of the media team responsible for coverage and visual production.

And many more

My Skills

I have a strong and diverse background in the field of media and visual creativity. My main passion is **Photography**, where I excel at capturing moments and telling stories through the lens with precision and creativity.

I also work in **Videography and Video Editing**, creating visually appealing and well-balanced content that delivers a clear message. In addition, I have advanced skills in **Graphic Design**, bringing modern and artistic ideas to life through clean, impactful visuals.

As a **Social Media Manager & Digital Marketer**, I specialize in transforming ideas into successful campaigns and meaningful content that truly represents each brand's identity.

I'm always striving to learn, grow, and deliver creative work that combines beauty and professionalism.

Photography Portfolio

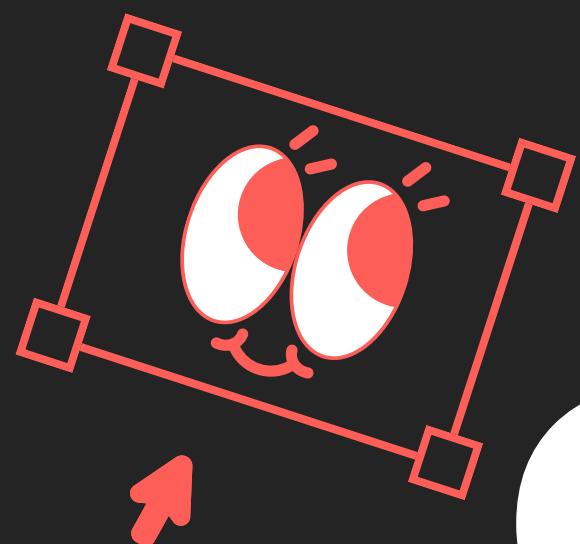

I've been working in photography for several years, capturing stories through my lens for different events, campaigns, and organizations.

Over time, I developed a unique style that focuses on natural light, real emotion, and creative storytelling.

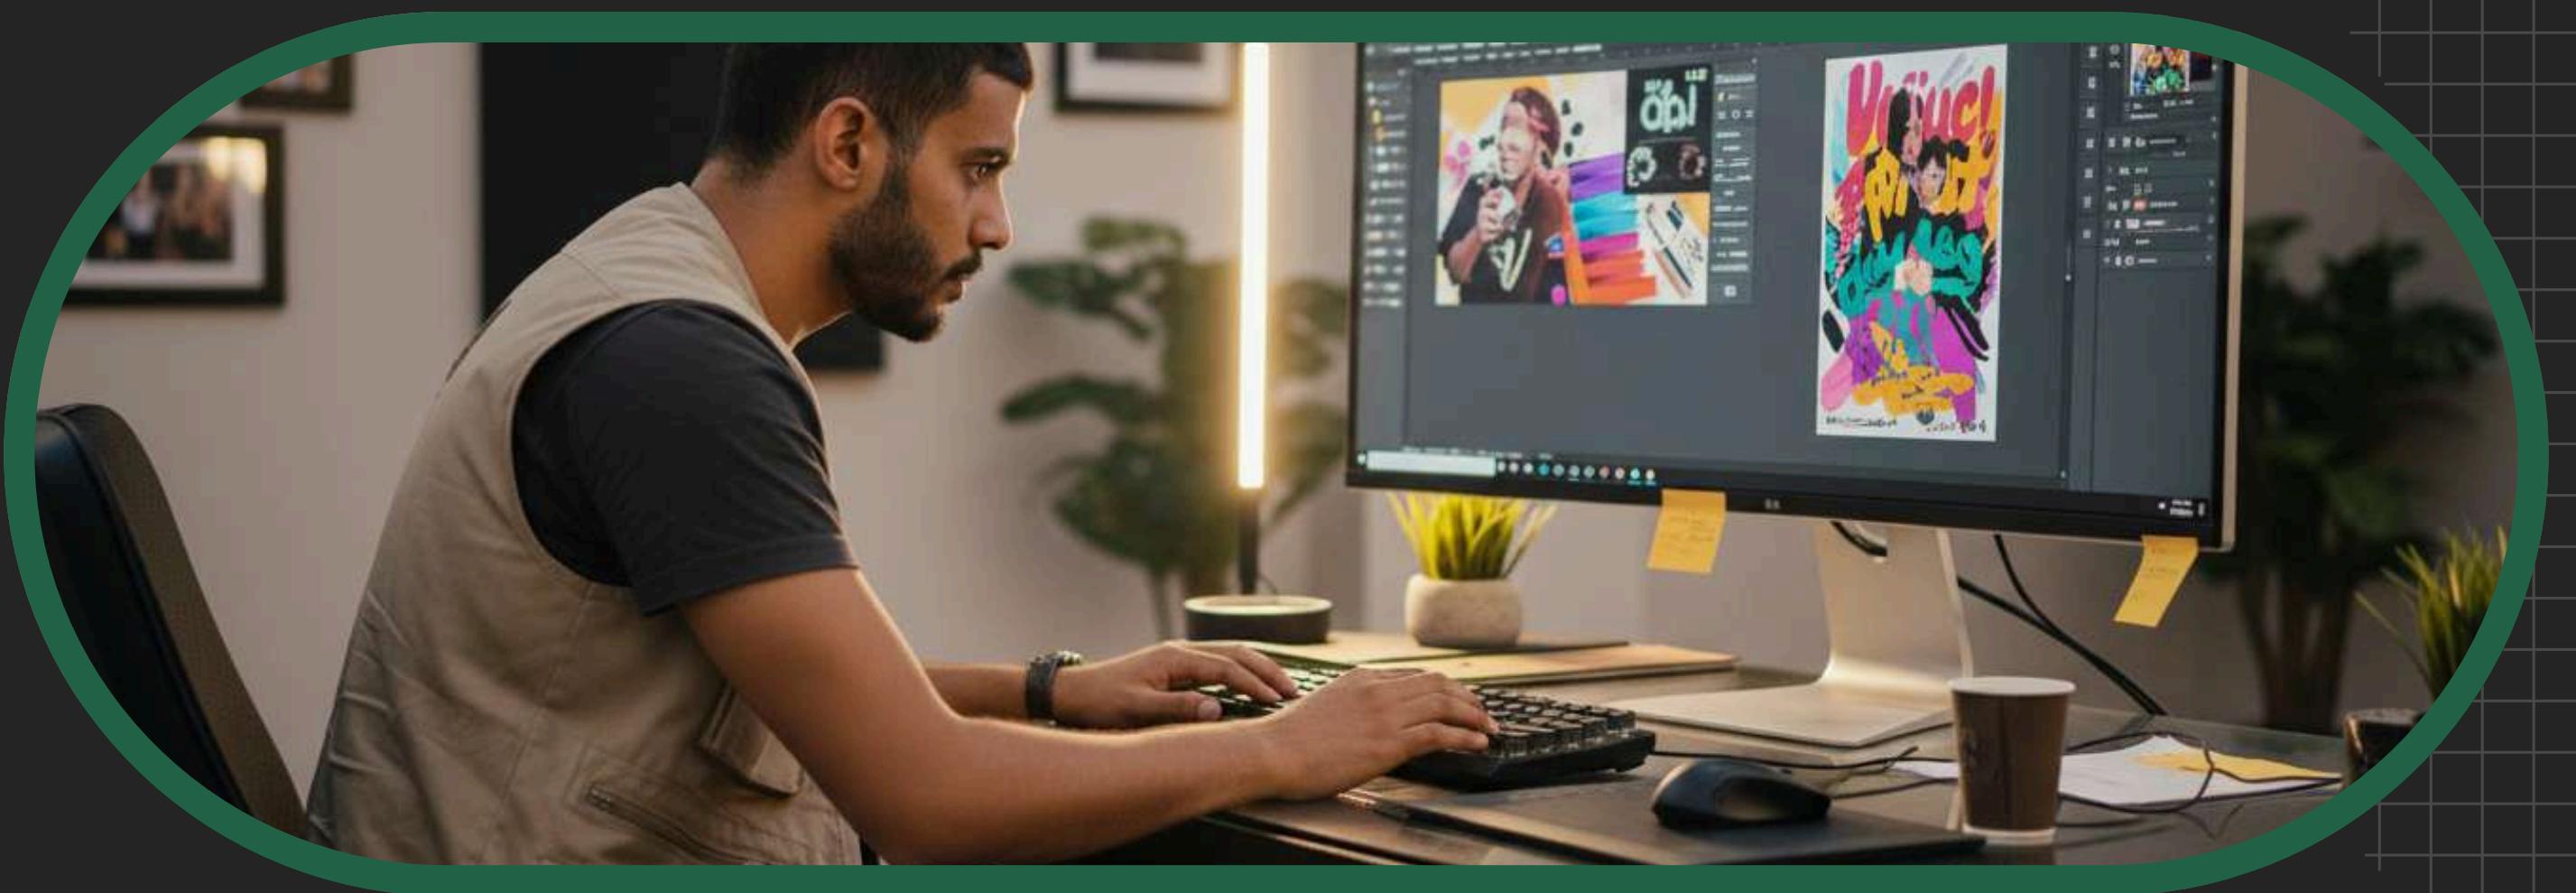

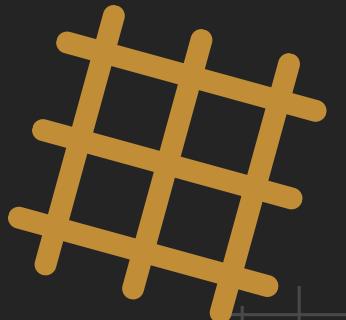

Photography, for me, is more than just pictures it's about freezing moments that speak and stay alive through time.
